From the Principal's Desk

Good News, Bad News!

Happy Easter! Well, Spring has sprung and we are back for the last three months of school!

So, Good News: our school recently completed an external evaluation by the Ministry of Education. We were given four glowing commendations (things we are doing well) and have been encouraged to develop further our implementation of the BC New Curriculum. We are on the right path!

And, the Bad News: our school was broken into over the Easter Weekend. The RCMP are involved and we are hopeful that an identification of the culprits will be possible. We have an excellent relationship with the RCMP and they are going above and beyond the call of duty to help us out. The thieves did take a few tablets/laptops. Please keep these misguided souls in your prayers.

Mr. Rossetti
