Call to order at 6:10pm

1-Opening Prayer

2-Adoption of Agenda: Motion to accept: Stephanie Curtis Second: Katrina Redgwell.

3-Treasurer's Report: Carmen Point. Gaming account is at \$687.80. These are approximate numbers. Paul and Anna are still working out what monies were for the computer lab. \$1000.00 went to the Grade 7s for their year-end trip and busing for the Grade 5 & 6 field trip will need to come out of the gaming account.

4-Principal's Report: Dianne Wilson:

Knights of Columbus 10202 gave a cheque for 10K for the computer lab and we are expecting 20K from the Faith in Action.

We had our first pancake breakfast for students on Feb 2/15. This was a huge success.

5-New/Ongoing business:

Family Fling- Friday Feb.13/15. Mel said things are going well. There will be a concession and a pizza and drink combo can be purchased. They are still looking for volunteers for the photo booth, setup and clean up duties.

Vegas Pub Night- There will be a silent auction and possibly a live auction. There will be a letter going out next week about the event. There is talk of having another activity besides gambling. Tickets are \$15.00 each of \$25.00 couple.

Spring Flowers- Devry Flowers are supplying us with the product. They will have hanging baskets, boxed flowers, tomato plants and herb plants. Profits from this range from \$2.12-\$8.72. If we commit before

March 13th we get entered into an early bird draw for a potential if a \$200.00 win for our school. We are hoping to have the flowers out for Mother's Day with delivery being around May 6-9th. We would like to launch this at the beginning of April. We are looking for a volunteer to take on the coordination pof the project. Katrina Redgwell said she would help look after the funds. We were thinking of asking Maureen at the rectory to collect some funds there. We would also make announcements at Mass and have reminders in the bulletin.

6- Closing prayer.
