Christ-Centred | Catholic | Community

From the Principal's Desk

It's Baaaaaaaaaack!

You've spoken, and I've listened! In an ongoing effort to communicate effectively with you, the SJS News is back! I will send out a newsletter on the last Wednesday of every month giving you the information you need most and some other stuff that might be helpful, or that I just think is pretty neat! It is my hope that between this newsletter, the SJS App, FreshGrade, and our school website that we can get the word out to everyone in our school community. If there is anything else you need, please do not hesitate to let me know. It is my earnest intention to keep our school a naturally open system where parents, students and staff communicate freely and openly with each other, resulting in a safe, accepting, and respectful school community. Thank you for being an active part of this intention. Peace!
