

October 21 2022 Quick Snapper

Our SJS Knights have had tremendous success in both the boys and girls volleyball. Their sportsmanship and comaradity are second to none. Check out our School website for their next game and come out to see them in action.

SJS was recently blessed with a generous bequeathment from a late Parishioner. The decision to purchase new chromebooks with the funds was embraced by staff and students. This week our 26 Grade 7 students received their brand new chromebook with big smiles and gratitude. Mrs. Kelly shared a story of the late Parishioner and together they said a prayer for their good fortune. Grade 4 students also will receive a class set of new chromebooks, while the remaining chromebooks will compliment our computer lab. SJS is deeply blessed.

School Access

It is so wonderful to have our doors open to parents once again! When visiting the school, please take a minute to check in at the office upon arrival. Also, it is most courteous to make an appointment in advance with your child's teacher if you hope to have a meeting about your child. Thanks for your understanding.

Halloween - Spirit Day - October 31

SJS will once again entertain the costume parade, weather permitting will determine the location. No masks or weapons are permitted outside or on the playground. Horror type costumes are permitted, though we ask that parents exercise their judgment when it comes to the "gore" factor. We prefer that the amount of gore be limited and ultimately reserve the right to ask a student to remove costumes that are believed by staff to be inappropriate.

The Grade 7 class will invite K - 6 classes to participate in their Haunted Trail (created with K - 6 appropriateness in mind)
