

Grateful

Thankful

Blessed

Dear SJS Community,

A week ago, I put out a letter asking you for donations to help us weather the current financial storm we are facing as a school due in large part to the hardships caused by the COVID-19 pandemic. This was not a request made lightly. I recognize how much each of you give to our school already and to ask for more is a significant ask. Well, a week later and I am blown away by your generosity. You have given and I am deeply grateful. I am humbled by your generosity and stand in awe of the commitment you continue to make towards Catholic Education in our community. Thank you. We are truly blessed. We will continue to gratefully accept any donations for this fiscal year until June 25th. Again, from the bottom of my heart, thank you. - Paul Rossetti, principal

June 14 - June 18 School events

❖ **June 14**

Reusable masks: if you could please send your child to school with a reusable mask we would be very grateful. This will assist us in saving the school the cost of purchasing more disposable masks and reduce the environmental impact of this current requirement. We find we are going through over a dozen masks a day for our intermediate students! Please help us to reduce this number.

Lost and Found

There were many items returned to their owners, yet there remains a fair amount. Do you recognize any of these items?

We will again display any Lost and Found the last week of School. Any remaining items after June 25 will be donated to the Pro Life Society.

Class Activities:

Grade 6/7 Badminton Champions - **Congratulations** There was some strong competition, as well as laughs, chuckles and great team play.
