

St James last Quick Snapper of 20/21

What a year this has been for us all, together, in faith, love and prayer, we did get through it. May the memories made, the love shared and our faith continue to keep us strong in spirit and nurture our hearts. **Psalm 16:2** Give thanks to the Lord for he is good, for his steadfast love endures forever.

In addition to the generous donations made by the families of SJS to help us weather the pandemic, we received a 10k donation from Ms. Helen Sidney. Helen is a parishioner of St. James Church and a retired teacher, who taught at Armstrong Elementary School for 41 years. It was important to Ms. Sidney to have the opportunity to personally present this living bequeathment herself. Mr. Rossetti accepted the generous donation and has applied it to the cost of technology infrastructure upgrades that have benefited many of our students and staff this year. We are truly blessed to be supported by such a community angel! Thank you, Helen!
