

June 9 2023 Quick Snapper

The excitement amongst the students has increased this week with the anticipation of their end of the year field trip.

On Monday our grade 7 class headed to Victoria for the week. Their Monday morning started rather early, yet their excitement was vibrant.

Today, Friday our grade 3 & 4 classes headed to KingFisher Interpretive Centre to release fry.

The grade 4 class nurtured the fry from receiving the fish eggs in September to the fry that they have become. The fish release ceremony will see each student release their own salmon into the Shuswap River. This unique program "Stream to Sea" has been an annual field trip for SJS students for well over 10 years.

News from the Office:

Lost and Found: all items are on display just inside the foyer. Please take a peek as there are many water bottles, jackets, t-shirts, SJS attire etc. All leftover items will be donated.

Kindergarten Orientation: this past Wednesday, some of our next year's kindergarten students gathered to check out their kindergarten room, while mom and dad listened and asked questions about the Kindergarten curriculum presented by Mrs. Wournell and Mrs. Routley. Our newest additions to SJS left with BIG smiles and were bubbling with anticipation of what will become their new surroundings.

Art Club: Thank you to all attending students in the art club. I enjoyed teaching you and seeing your amazing creations.

I look forward to next year when we will resume our Wednesday, after school art club. ...and thanks to Ms. Witteman for standing in for the 3 weeks that I was away. Sincerely, Ms. Bouchard
