

Quick Snapper May 5, 2023

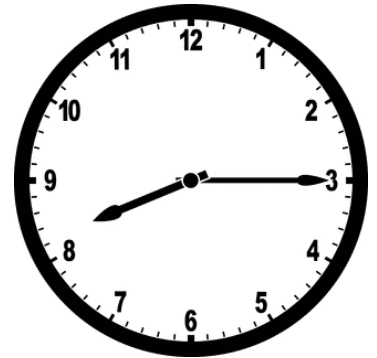

Students in Grades 4-7 spent three days learning tricks and tips to improve their cycling skills. Thanks to Hop ON Cycling BC for this excellent experience! Thanks to Mrs. Kilarski for organizing yet another great event for our students! We also celebrated “May the Fourth” with some special Star Wars themed activities!

Our first annual alumni night was held on a Thursday night. It was great connecting with former students and enjoying some friendly dodgeball competition. We want to thank our special alumni guests for taking the time to attend our reunion. And of course thanks to Mr. Foster for battling it out on the court!

CROSS COUNTRY RUNNING RACES

Thank you to Mrs. Kilarski and Mrs. Routley and all of the parent volunteers who assisted with cross country running this year!

Please make every effort to have your child to school by 8:15am. When students arrive late they miss out on morning warm up work, announcements and instruction. It can also be quite distracting for the class and for the teacher to restart their lesson. Thank you for your cooperation!

Monday Morning Rosary 8:35am - 8:55am

Join Mrs. Paulette Langer in our school chapel to say the rosary every Monday morning. There will be a box on the table across from the front trophy case to write any prayer intentions for the week. Mrs. Langer will include these prayers after the rosary.

Please just show up to pray or email Mrs. Langer if you have any questions: paulette_17@hotmail.com.
