## Dear SJS Parents

The leaves are changing colours, the mornings are a little cooler, Fall is upon us. Yet despite the cooler temperatures, Mrs. Kilarski and her grade 6 class took full advantage of the sunny skies and walked to Vernon Teach & Learn for an ice cream treat. Ms. Dressler had her grade 4 class at Creekside Park. They were joined by Allan Brooks Nature Centre who explained the Kokanee Salmon spawning cycle, which the grade 4 class witnessed for themselves, Salmon making their way upstream to spawn.
